### See City Hall

Become downtown experts and learn even more about our city, as you and your child explore L.A.'s City Hall on a self-guided tour.

- ❖ Go to the L.A. Conservancy's City Hall website (<http://www.laconservancy.org/kids/kidspage.shtml#cityhall>) and print out the guide. Take some time to read through the guide together and pay a visit to City Hall.
- ❖ To learn more about City Hall, check out a great new kids' book called *City Hall: The Heart of Los Angeles* by Debbie Bertram and Susan Bloom, illustrated by Aileen Leijten. It is available at most local libraries.
