

ORDINANCE NO. 184381

An interim ordinance, adopted as an urgency measure pursuant to California Government Code Section 65858, prohibiting the issuance of building permits for the construction of single-family dwellings on RA, RE, RS, and R1 zoned lots in designated neighborhoods where the proposed construction does not meet certain neighborhood-specific criteria.

**WHEREAS**, this ordinance covers the following residential neighborhoods, the boundaries of which are delineated below:

1. Brookside – Council District 4
2. Sherman Oaks – Council District 4
3. Sycamore Square – Council District 4
4. Picfair Village – Council District 10
5. Wilshire Vista – Council District 10

**WHEREAS**, these residential neighborhoods present unique blends of scale, massing, building setbacks, architectural styles and landscaping;

**WHEREAS**, a rapid increase of property values in these neighborhoods has accelerated a recent trend of property owners and developers tearing down original houses and replacing them with box-like structures or significantly remodeling existing structures with bulky two-story additions that are out of scale with neighboring properties;

**WHEREAS**, the proliferation of such construction poses a current and immediate threat to public welfare, including degradation of neighborhood character, loss of neighbors' privacy, curtailment of development potential, and negative impacts to aesthetics and general quality of life; and

**WHEREAS**, the Department of City Planning is currently modifying single family zoning regulations to establish a baseline that reduces the scale of buildings and adjusts massing:

**NOW, THEREFORE,**

**THE PEOPLE OF THE CITY OF LOS ANGELES  
DO ORDAIN AS FOLLOWS:**

Section 1. **DEFINITIONS.** For the purposes of this ordinance, the following terms shall be construed as defined in this section. To the extent applicable, terms not defined here shall be constructed as defined in Section 12.03 of the Los Angeles Municipal Code (LAMC).

**PROJECT.** The construction, erection, alteration of, or addition to a structure on a residentially zoned lot located wholly or partly within the areas identified in Section 2 of this ordinance. The term Project excludes improvements that do not increase an existing or prior-existing structure's Residential Floor Area, as defined in Section 12.03 of the LAMC.

Sec. 2. **INTERIM CONTROL AREA.** The provisions of this ordinance shall apply to all RA, RE, RS, and R1 zoned lots located wholly or partly within the areas depicted by shaded areas on the attached maps:

1. Brookside – Council District 4
2. Sherman Oaks – Council District 4
3. Sycamore Square – Council District 4
4. Picfair Village – Council District 10
5. Wilshire Vista – Council District 10

Sec. 3. **PROHIBITION.**

**A. Brookside, Sycamore Square, Picfair Village and Wilshire Vista.**

Notwithstanding any section of the LAMC, no building permit shall issue for a Project in the Brookside, Sycamore Square, Picfair Village or Wilshire Vista unless the proposed structure complies with the regulations set forth in the Beverly Grove Residential Floor Area District (Ordinance No. 182754).

**B. Sherman Oaks.** Notwithstanding any section of the LAMC, no building permit shall be issued for a Project in Sherman Oaks unless the proposed structure complies with the regulations set forth in the Studio City Residential Floor Area District (Ordinance No. 182048).

Sec. 4. **EXCEPTIONS.**

A. The prohibitions specified in Section 3 of this ordinance shall not apply to the issuance of a building permit for either of the following purposes:

1. To comply with an order issued by the Department of Building and Safety to repair, remove or demolish an unsafe building or substandard condition; or

2. To rebuild a structure destroyed by fire, earthquake or other natural disaster, provided that the development is not prohibited by any other provision of the LAMC.

B. The prohibitions specified in Section 3 of this ordinance shall not apply to the issuance of a building permit for a Project that satisfies all of the following conditions:

1. Architectural and structural plans sufficient for a complete plan check were accepted by the Department of Building and Safety before the effective

date of this ordinance, subject to the time limits set forth in section 12.26.A.3 of the LAMC;

2. A plan check fee was collected before the effective date of this ordinance; and

3. No subsequent changes have been made to those plans that increase or decrease the height, floor area, or occupant load by more than 5 percent, that change the use; or that violate the Zoning Code regulations in effect on the date that the plan check fee was paid.

C. The prohibitions specified in Section 3 of this ordinance shall not apply to Projects that involve the construction, redevelopment, rehabilitation or renovation of multifamily housing. Multifamily housing includes two-family dwellings, multiple dwellings, group dwellings and apartment houses.

Sec. 5. **HARDSHIP EXEMPTIONS.** The City Council, by resolution, may grant an exemption from the provisions of this ordinance in cases of extreme hardship duly established to the City Council's satisfaction. An application for hardship exemption shall be filed with the City Clerk on forms provided by the Department of City Planning.

Sec. 6. **DURATION OF ORDINANCE.** This ordinance shall be in force and effect for 45 days from its date of adoption. The City Council may extend this ordinance for 22 months and 15 days. Any extension shall be based on the City Council finding that the proliferation of hulking, box-like structures in certain residential neighborhoods continues to pose a current and immediate threat to the public health, safety or welfare.

Sec. 7. **APPLICABILITY OF ZONING CODE.** The provisions of this ordinance supplement those set forth in LAMC, Chapter 1 ("Planning and Zoning Code") and any other City ordinance, and do not confer any right or benefit not otherwise conferred under existing law.

Sec. 8. **SEVERABILITY.** If any provision of this ordinance is declared unconstitutional or otherwise invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions of this ordinance that can be implemented without the invalid provision. To this end, the provisions of this ordinance are severable.

Sec. 9. **SAVINGS CLAUSE.** The provisions of this ordinance do not apply to the extent that their application would result in a taking requiring compensation, would deprive any person of constitutional or statutory rights or privileges, or would otherwise be inconsistent with state or federal law.

Sec. 10. **URGENCY CLAUSE.** The City Council finds that the proliferation of towering, box-like structures in certain residential neighborhoods poses a current and immediate threat to the public welfare, including degradation of neighborhood character, loss of neighbors' privacy, curtailment of development potential, and negative impacts to

aesthetics and general quality of life; and that the continued processing of building permits will result in that threat to the public welfare.

Sec. 11. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

I hereby certify that this ordinance was passed by the Council of the City of Los Angeles, **by a vote of not less than four-fifths** of all of its members, at its meeting of JUN 29 2016.
