

2025 Preservation Awards Celebration

On Wednesday, April 23, 2025, the Los Angeles Conservancy is excited to celebrate our 2025 Preservation Awards at Founder's Church of Religious Science in Koreatown, (Historic-Cultural Monument No. 727). Designed by celebrated architect Paul R. Williams, Founder's Church is a Modern-style, elliptically-shaped building meant to enhance feelings of inclusion, in line with the church's philosophy.

Each year, an independent jury of experts from the fields of architecture, preservation, and community development select a distinguished group of projects that demonstrate outstanding achievement in the field of historic preservation and heritage conservation. Attendees have the chance to discover some of the region's most significant preservation projects and network with a cross-section of L.A. community leaders from the public and private sectors at one of the most inspiring awards programs in Los Angeles.

Event sponsorship levels range from \$2,000 to \$20,000, with some exciting special sponsorship opportunities this year. Each level includes different benefits, outlined below. This is one of our most popular events, and space is limited, so get your sponsorships early!

- Sponsors at the \$4,000 and above levels will be invited to a pre-event VIP reception on the church's outdoor private patio, and reserved priority seating inside. \$5,000+ level sponsors receive 10 tickets; \$4,000 sponsors receive 8 tickets.
