About the Los Angeles Conservancy's 2026 Preservation Awards Celebration

On Tuesday, April 14, 2026, the Los Angeles Conservancy is excited to celebrate our 2026 Preservation Award winners at the historic Ebell of Los Angeles! Join us for an awards celebration featuring a dynamic video presentation highlighting extraordinary historic projects and inspiring stories behind them. The evening continues with a garden reception where guests can mix, mingle, and network amid the beauty of the Ebell's historic campus. Founded in 1894 and designed by celebrated architect Sumner Hunt, the Ebell is a historic cultural organization committed to empowering women—and a spectacular place to gather in Los Angeles' Mid-Wilshire neighborhood.

Each year, an independent jury of experts from the fields of architecture, preservation, and community development select a distinguished group of projects demonstrating outstanding achievement in the field of historic preservation and heritage conservation. Attendees convene to celebrate the region's most significant preservation projects and network with a cross-section of L.A. community leaders from the public and private sectors at one of the most inspiring awards programs in Los Angeles.
